I would like to declare my Intent to Participate in College Credit Plus for the 2016-2017 school year. I acknowledge that this Intent to Participate must be submitted to the high school guidance office no later than April 1, 2016. I understand that signing this form does not obligate me to participate during the coming school year and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my high school guidance counselor when I gain admission to my selected institution of higher education, and that I will be told how many college semester hours I am eligible to take during the coming school year, which includes the 2016 summer term. It is expected that students will plan their high school schedule and College Credit Plus schedule prior to the beginning of the school year. Students may not drop a full-year course at Ottawa Hills at the semester to take a College Credit Plus course.

I also understand that it is my responsibility to notify the high school guidance counselor if I am not going to participate in College Credit Plus for any reason and if I add or drop a College Credit Plus course at any time during the term.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both Ottawa Hills Junior/Senior High School and the college. I also certify that I understand my responsibilities, the benefits, and possible risks of participating in College Credit Plus.
