

# Keep Up-to-Date With the OH District

**DynaCal** is the Ottawa Hills schools calendar program.  
It is available as a link on the district website at:

[www.ottawahillsschools.org](http://www.ottawahillsschools.org)

It can be viewed from anywhere there is an Internet connection. The calendar includes valuable information regarding athletic, music, drama and other extracurricular events as well as school schedule information.

This calendar can be bookmarked on home computers to be current with changes to the calendar. This includes cancellations of athletic events. If additional information is needed about a particular event, clicking on the event will bring up the detailed information

A new feature this year is the ability to receive text and e-mail alerts for changes in the District calendar. To access this feature, go to [www.ottawahillsschools.org](http://www.ottawahillsschools.org).

From the Ottawa Hills home page, click on calendar, then District Events Calendar (DynaCal). Click on **My DynaCal** and create a DynaCal account. When you log in to your personal account, you can create customized views of Ottawa Hills Local Schools events and activities that you are interested in. You can also request e-mail alerts, text alerts and more!

If you are signed up for the Tennis calendar and you requested text alerts, you will receive a text message if a tennis match is cancelled. You can also share your calendars with friends and family. This is useful if you want to send a relative the Football schedule. Set up a personalized calendar view of football – then click *Share your calendars with friends and family* and choose the football calendar – it will then be e-mailed to the relative whose e-mail address you list.

My DynaCal is a helpful way to received updates and changes to the Ottawa Hills district and school calendars.
